A prayer to share

In Year 2, the children have been learning about the story from Genesis which explains how God created the world.

They have been looking at the wonderful world God created and thinking of ways to say thank you.

At the moment, we have been enjoying beautiful weather. As you walk along, maybe encourage your children to think about the things they would like to thank God for;

We thank you, Lord, for flowers and trees and sunshine and for all your living creatures.

We thank you for families and friendships, for our homes and our school.

We thank you for giving us our daily bread and for all the food we eat.

We thank you, Lord, for everything wonderful in the world.

Amen.

Thank you to Mrs Harris and all the school staff who donated cakes and helped to organise this. We have had a quick count and have raised over £500.

READING WITH YOUR CHILD

Children love to read and to be read to. In school, we share books with children throughout the curriculum.

Sharing a story at bedtime is an important and simple way to have a big impact on your child's education.

A little bedtime reading each night is proven to help a child's development in many different ways. You don't need to read for very long, put on fancy voices or even be very good at it. The most important thing is to just read together. Reading each night will help to;

- ♥ Expand vocabulary
- ♥ Expand knowledge and understanding of the world.
- ♥ Develop concentration.
- ♥ Develop word recognition and phonics
- ♥ Develop comprehension skills.
- ♥ **Help to calm and relax a child, ready for sleep as part of a bedtime routine.**
