

Dear Parents

This week has been a very short week, however the children have been very busy learning about Succot and taking part in some very fun Succot activities.

We had the best time baking with Year 5, we made honey cake and it was amazing to see the children working together. We also davened and ate our snacks in the Sukkah as well as creating our own sukkahs out of blocks and junk modelling. We thought about our house and school and how strong they are, we touched the bricks of the school and felt how strong they are and how we feel safe at home and school, in the Sukkah it is a little flimsy and we don't feel so safe but we know Hashem will protect us.

The children went to their second whole school assembly, which they absolutely love. We are so proud of how grown up they are and how beautifully they sit and listen to the children and teachers. Reception are going to be doing their own assembly in a few weeks, which we are very excited about.

The children are really looking forward to starting phonics and having their first full week in school soon!

Don't forget to upload your 'Succah selfies' to Seesaw. Please we also ask that you send in a family photo for us to use in a display.

Shabbat Shalom

The Reception Team
