

Dear Parents/Carers

17<sup>th</sup> September 2021

Wow I can't believe that another week has gone by and how lucky we have been to have the beautiful weather, which I believe will be carry on for a little while as well.

### Visits

Our first trip out this year was on Tuesday. A huge well done to the year 4 children who had their first swimming lesson at the Heights on Tuesday. They had a lot of fun and are so excited for the rest of their lessons. Thank you to the team for ensuring that everything was in place for the children to go.

Our aim is the children to be able to get out and about and undertake visit as part of the curriculum. To help us with this we need to have the paper work in as soon as possible. The first document we need in by 25<sup>th</sup> September at the very latest is the EV3 trip form. We are unable to take any child out with out signed permission and we would really appreciate your help by sending it in before this date.

### Wrap around care

We are so proud that we are now open from 7.45 until 6 Monday to Fridays.

The cost of breakfast club is £2.50 per child per session and the cost of after school club is £5 until 5pm and £6 until 6pm. We still have places for both. Please can you email [admin@bradingcepri.iow.sch.uk](mailto:admin@bradingcepri.iow.sch.uk) if you like to book a place or have any questions.

### Fun clubs

We are currently in the process of organising fun clubs and are hoping to get the letter out to you early next week to start making bookings. Clubs will include Lego, Gardening, Sports to name but a few and will go on from the end of school until 3.30 from year 1 upwards. For so many years these have been free of charge but from this year there will be a charge for them which will be £1 a session. It will be on a first come first served basis and the money will also need to be paid in full. More information will be included in the letter but we are really looking forward to these going ahead!

### New ways of working

I just want to say an amazing thank you to all for working with us and supporting us with lunchboxes. As the email earlier in the week stated we would be giving parents an extra week if needed to purchased one that is plastic and washable. As from Monday these will be the only lunchboxes we require in school. I have attached photos once again of examples of types that we require:

Remember that as a school we have supported by buying ones as well which we can provide for you, just come to the office and see a member of staff.

### Snacks

Just to remind you again about snack - Now that we are with our new catering company Chartwells, they have requested that **all snack money is handed in via an envelope with your child's name, class and snack choices for the week on a Monday morning. We are not able to take any money/orders on any other day during the week. Going forward, they are only offering toast, apple juice, orange juice or milk as snack options – there will no longer be teacakes or crumpets on offer. Please do not pay for your child's snack via bank transfer as it can no longer be the school's responsibility to deal with snack, it must all be done through the kitchen. Chartwells organise all of the snacks, we will just be passing the information onto them. We can now only take the money in an envelope. If you need some envelopes the office can provide you with some.**

### Data sheets & outstanding forms

On Monday of next week, we will be sending out the data forms for each child. These will need to be checked and signed by yourselves to make sure all the details we have are correct. For safeguarding reasons, we MUST have at least two contact numbers for each child, so please make sure you have provided us with two or more people that we are able to contact if needed. We will also be sending out any outstanding forms that we have not received back from you. Please make sure all forms are handed back in by Friday 24<sup>th</sup> September.

Finally, I just wanted to say a really big thank you to everyone. It always takes a little while at the beginning of any academic year for everyone to get into new routines as things change. As a school we are very different from where we were a couple of years ago, we are now a 2-11 primary school with an attached resource provision, we have over 170 children on roll, undertaken a massive building programme and tried to support everyone through the COVID pandemic. In future if there are any changes that need to be put into place we will make sure you are given adequate notice and be more explicit of what we need.

Thanking you all again for your support in helping us be that TEAM that TRUST each other, which is our motto.

Have a lovely weekend.

Mrs Gilbert.
