

Kingfishers Class Newsletter 24th September 2021

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

In Maths, we have been continuing our work on place value and counting developing skills in counting effectively by rowing up items or crossing pictures out.

In English, we've been practising our sentence writing, remembering to: "think it, say it, write it".

In Phonics, we have continued revising our digraphs and trigraphs from reception.

In Learning Mission, we've been practising our recycling skills sorting rubbish into paper, metal and plastic.

A Thought for this Week

Next week in Learning Mission we will be thinking about what we can do to help prevent our food waste going into landfill. Why not chat about this at home and come up with some ideas!

Stars of the week

Liliana – showing love and kindness to everyone in our classroom.

Skyla – showing lots of self-belief and bravery in mastering the climbing frame!

Home Learning Challenge

Go on a material hunt at home (just like you did in your science lesson)! Can you find metal, plastic, wood etc.? You could even make a tally chart.

School Dates

29th Sept - Jump4Hearts Fundraiser

15th Oct – Individual Photos

18th Oct – Harvest Festival

Reminders

Please could all children bring in a picture of their family for the 'Our Family' display in our classroom. This could include anyone special to them (including pets!). Please do send multiple pictures as required and we'll create a wonderful wall of love!

PE has now moved to a **Monday** and a **Friday** – please ensure all children have PE kits in school on these days.

Children have now been sent home with two different books, one being a 'Reading for Pleasure' book to be enjoyed together and another decodable book for them to read to you. These books will be changed weekly on a **Friday**.
