I need to start with the COVID update. We are continuing to liaise with Bolton Public Health, who have told us to keep year 3 & 6 in bubbles inside, where possible. They will, as they did on Friday, play out, and have their lunch, as a class. They won't attend inside assemblies. As I said on Friday these are precautionary measures and should only last for this week.

We feel there are too many children on the yard to have Year 3 & 6 outside with them. Year 6 children can participate in the football club on Wednesday and Year 3 can now continue with dance club on Friday. Year 6 members of the cross country team can compete on Thursday. The IT Club will go ahead with Year 5 & 6 in different rooms.

As I said we will continue to talk to Bolton Public Health this week, if any changes are needed, we will contact parents immediately. If there are further positive cases, we may also need to alter arrangements in school.

I hope everyone saw our wonderful scarecrows, we appear to have lost one, the bus driver. Our efforts got us a runners up prize, well done to everyone involved.

Tempest Photograph will be here tomorrow. Children will be having their individual photographs taken, unfortunately after a discussion, again with Bolton Public Health, we won't be having any family group photographs, we apologise for this. Please make sure your child is in their school uniform tomorrow, if they are celebrating their birthday they can wear their own clothes the day after.

Thank you for all the donations for the Harvest Service, these will be distributed later this week.

The cross country team had another good race last week, we don't have results yet, after 1 race the girls were 4th & boys 9th.

Can I remind parents that the first instalments for next years residential trips for Years 3,4,5 & 6 are due before this Thursday 30th September.
