'I have come so you might have life-life in all its fullness' John 10-10

Friday 24th September 2021

Dear Parents and Carers,

As we come to the end of week three (I can't believe how fast the time is going!) I would like to thank you all for your support in ensuring the children are arriving in school on time and looking so smart in their uniforms, especially on PE days and embracing our new polo shirts.

I would also like to thank you for taking more care and consideration when dropping off and picking up children. As such, we have been listening and watching, and have decided to make a small tweak by opening the gates between **8.40am till 8.50am for drop off**. This is to help parents who have more than one child to drop off at different gates. The procedure for **pick-ups** will remain the same; gates will open at **3.15pm** and please note that they close **at 3.25pm**, again giving you a ten minute window if you have children in different Key Stages.

All children need to be picked up promptly at **3.15pm** unless they are staying for an after school club.

You will have received your letter regarding our Harvest Festival which will be held on **Tuesday 5th October 2021**. Unfortunately, at this time we are unable to accommodate parents and carers within school. We will be supporting Medway Food Bank and Caring Hands and welcome donations for these charities that make a difference to our local community.

Please note that next **Friday, 1st October** is individual class photos, so make sure that the children have their smiles ready! As such Year 2 (Orange Class) and Year 5 (Blue Class) will need to wear school uniform for the photos and will not take part in PE.

School Meals

School Meals are now £2.10 per dinner not £2.00.

Hope you have a lovely weekend

Thank you for your continued support.

Ms L Jobling
