COVID UPDATE

You will no doubt be aware that we have had a number of Covid cases within school this week. Managing these has been a priority for us and we would like to say a huge thank you to all of you for supporting us in this task. We are very pleased to hear that most of the children who have been affected have suffered short-lived mild symptoms, and we are looking forward to seeing them back in school when their isolation period ends and they are fully recovered. We would encourage anyone who feels at all unwell to take a LFD test, and to book a PCR test at the earliest opportunity.

We are working closely with Public Health England and are following their guidance in all instances. Please keep us informed of any test results as they come through so that we can assist Public Health as they manage the test and trace system. Once again, many thanks to those of you who have kept us in the loop, it truly has been a huge help to us.

MACMILLAN FUNDRAISER

We were very sorry to have to postpone the MacMillan Fundraiser but will re-schedule this event as soon as we can. We have received lots of lovely donations for the bottle stall and the chocolate tombola, for which we are very grateful. We will confirm the revised date as soon as we can, giving you plenty of time to bake some cakes for the event!!

CLASS ATTENDANCE AWARD WINNER IS CLASS 5 WHO HAVE ACHIEVED 93% ATTENDANCE! WELL DONE!
