## Newsletter week ending 1<sup>st</sup> October 2021

### Mrs Truslove writes

Once again we have been awarded the schools music mark award after being nominated by NMPAT. This is in recognition of the high quality music teaching that children here are able to access, and the high levels of participation. Thank you Mrs Pickles and NMPAT for delivering this.

We have once again had several complaints about parking at drop off and pick up times. Whilst I appreciate that the nature of the village roads makes this difficult, could I ask that everyone parks safely and legally and shows respect to others living near the school. Could we also remember that the yellow zig zags are there for a reason and it is **never** acceptable to park or stop on them, even just to drop off. Thanks for your co-operation.

### Mrs Barnes/Mrs Truslove – Red class

We are very excited that Reception will be starting to attend school full-time from Monday, and look forward sharing this next step in their learning journey.

On Tuesday we begin our Forest School learning. Everyone should have had a letter but it is available on the website if you missed it.

Next week in maths, Year 1 will continue to practise number bonds up to 10 and learn about the properties of shapes. Reception will be exploring patterns.

Year 1 are doing really well with their spellings if you could practise letter formation at home with your child that would be very helpful.

We will be investigating ways of creating the interior features of a house in DT next Thursday, if you have any cardboard boxes, card, cupcake cases etc. we could use, please send them in - thank you.
