

WITH GOD IN OUR HEARTS,  
WE LOVE AND LEARN

## St. Joseph's Newsletter

Issue 003– 4 October 2021

The virtues we are sharing with the children this half term are eloquent and truthful. By developing an eloquent language which pupils can use to understand and articulate their emotions, beliefs, and questions, encouraged by the example of their teachers to be truthful in the way they represent themselves and speak about the world.

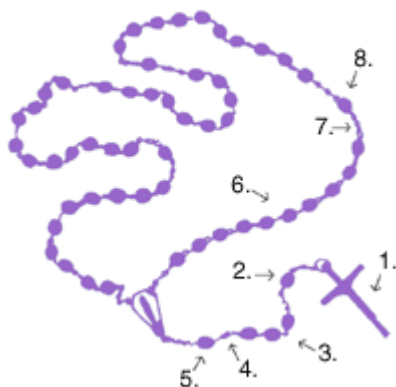

We introduce children to new vocabulary on a daily basis and we want them to use this to communicate with others and talk about themselves and their own experiences in a confident way. Children are taught how important honesty is and how important it is to be honest even if this may mean getting negative consequence for an action.

I am sure you will agree that these virtues are essential if children are to reach their God given potential and leave our school ready to succeed in high school.
