REMINDERS

- Please remember that we are a nut-free school so no items containing nuts may be brought onto the school premises. We also encourage only healthy snacks.
- Please remember to send your child's Reading Record into school every day.

COLD WEATHER WEAR

Please ensure your child is dressed appropriately and ready to play outside in this changeable autumn weather. Hats, gloves and waterproof footwear is always useful so that the children can enjoy the fresh air whilst staying warm.

COVID – GOOD PRACTICES

As we are all too aware our regime of increased hygiene measures needs to continue, please can you encourage your children to use tissues appropriately, and to wash their hands thoroughly for 20 seconds after playing outside, using the toilet and before eating. We are continuing with our increased cleaning within school, and are ensuring all areas are kept well-ventilated. The adults are wearing masks in school when in communal areas, and we would like to remind all parents and carers to wear a mask when on the school premises. Many thanks for your help in fighting this virus.
