Turnfurlong Junior School Wishlist

Some of you may not know that we have our very own Amazon wishlists! Thank you to the parents who have bought books recently, the children (and teachers!) do get very excited about them!

If you would like to purchase something on our behalf, please use the links below which will take you to our wishlists. If you find something you would like to purchase, just add it to your basket and follow the same process as if you were ordering something for yourself (don't forget to write your child's name so we so know who to thank!) The items will be delivered directly to our school. If you want to support the local shops rather than ordering online, feel free to buy similar items there .

Traffic and Congestion

We are still receiving reports of dangerous parking and driving on Turnfurlong Lane, and surrounding roads.

We remind you that cars should not be parking on the Zig Zags outside the school at any time of the day.

Please do not park on the corners of the road, it makes it very difficult for other drivers to see, please avoid turns in the road

Pokemon Go

Pokémon GO has been among the world's most popular mobile games since its spectacular release in 2016. It's recently enjoyed a resurgence, thanks partly to people combining entertainment and exercise during lockdown. In Pokémon GO – like the Pokémon TV show, trading card series and other video games – players capture, train

and battle with their Pokémon creatures: physically exploring locations while using augmented reality via their phone's screen. The game generally provides a positive experience, but there are still some safety concerns to consider.

Reading Mentors Needed!

Can you help us? Have you got an hour a week to spare for a good cause? We are looking for adult volunteers to listen to children read across the school. We will provide training and you would be supported by staff throughout. Please note, that you would not work in the same year group as your child(ren). If you think this is something that you could commit to, [please click here and fill in this form](#) to show your interest and we will be in contact!
