Newsletter 15 / 10 / 21

Dear Parents,

It was really pleasing to see that our attendance has improved this week. It is still slightly under where it should be but 95% is not bad and is a big improvement. So thank you and well done for your efforts with this. Let's try to get it even better.

You would have seen the letter that was sent out yesterday from the directors of public health in Calderdale warning us that COVID 19 is rife at the moment. Please be extra vigilant with symptoms and test yourselves and your children if anyone in your household has the classic symptoms of cough, temperature, loss of taste and smell. If your child tests positive, they cannot come to school. There is also a 'super cold' going round which shares some of the symptoms of the virus so to be sure, please use the lateral flow tests to rule out COVID.

Thank you to those who have sent in some food contributions for our Harvest celebration which is on Wednesday. There is still time to send in more, if you are able. Unfortunately, due to the rates of the virus, advice is that we should not have large groups of visitors in school at the moment. So we cannot invite you to our harvest celebration but please do ask your children to share some of their poems and songs with you at home.

Because of this, our parents' evening will still be online this term. It is going to be on 9th November and appointments and joining instructions will be sent out next week.

The Calderdale inclusion team are making some changes:

Dear parents/carers

You may have seen that we're proposing to make some changes to the Specialist Inclusion Team. Thank you to those of you who have already fed back to us. In light of this we're going to hold a few online Q&A sessions about what the changes entail and what you can expect from the new proposed services.

To register you just need to email SENDreview@calderdale.gov.uk with your preferred date and you will be sent a link to a Microsoft Teams webinar.
