

18 October 2021

Dear Parents

This week we are thinking about Harvest in school.

Every year we choose a charity to support and this year we are supporting our local church Foodbank charity. This amazing group of volunteers provide emergency food packages for people living in our immediate area. This is particularly relevant during these tricky times.

By choosing to support this charity, we hope to promote and instil within the children the understanding that they can *make a difference* and share what we have with those who find themselves in times of difficulty.

We would appreciate it if you would send in 1 or 2 non perishable food items on Friday 22nd October (see suggestions at the bottom of this letter) and these will then be distributed by members of the parish. This year there is a list of specific items that would be gratefully received, see the bottom of this letter.

As always, we thank you for your continued support.

Kind regards

Melanie Rose
