Mrs Truslove writes

Thank you very much to everyone for your support this week around PCR testing of children (especially in red class). We currently have 6 positive cases and await the results of several more who have had close contact. We have received the flow chart attached from the Local Authority and are following the advice on it.

I am hoping that we will still be able to go ahead with parents' evening as planned, however this will be subject to review at the beginning of the week.

Please return your slip by Monday if you have not already done so.

Similarly, we have been practising for our Harvest service and hope to be able to go ahead as planned. This will be reviewed during the week and depend on any new cases.

Mrs Barnes/Mrs Truslove – Red class

It has been a strange week in our class but the children have responded really well and we have been very proud of them. If your child is off school with Covid and you think that they are well enough to do some school work, please contact us and we will send you some material/ideas for them.

Next week's spellings are a review week which involves a random selection of words from the previous 5 weeks spellings.

Mrs Gibbins – Green class

Homework is in the green books. It's another practise of time. Remember to keep practising this with your child. As I have told them - once you've got it, you've got it.

There is a spelling review next week. For those of you that need a reminder, it is a random selection of spellings taken from the last six weeks. New spelling sheets will be given out next week.

Tables next week are the 6x.

Mrs Pickles/Mr Wilkinson – Blue class

Next week in maths we will working on mental and written multiplication and division methods.

We are moving on to the 12x table next week.

Sporting Achievements

Last Friday after school, a team of year 6s travelled to play a **basketball** match at **Guilborough Primary School**. In what was a really close game from start to finish, they eventually lost out by a single, heart-breaking point but they worked together brilliantly as a team and scored some excellent baskets. It was really impressive how well they took to the scoring, considering they have only been able to practise in school with netball posts, and took on advice to improve as the game progressed.

Well done **Calum, Toby, Darcey, Jude, Jack, Florence and Elena!!**

Triathlon Triumph

Last weekend Calum competed in the Southam Junior Triathlon swimming 200m, cycling 3.2km & ran 2km. He finished in 31.45 minutes, 19th out of 31 competitors in the 11-12 year category.

Very well done Calum!

Lunchtime Supervisor vacancy

We have been very fortunate to have a strong team of lunchtime supervisors, however we sadly said goodbye to Billette recently and are anticipating Natalie will embark on her international travels very soon. We are therefore looking to recruit some new supervisors to support the children during lunchtime and join our fantastic team. Days are Monday – Friday, 11.55am – 1.10pm. If you are interested in this role either full time or part time please contact the office for a chat.

New Musicianship Classes for Year 1 and 2 children

NMPAT are pleased to announce a new music class for children in Year 1 and Year 2. The class is taught by their new Early Years and KS1 Project Lead, Sarah Wise.

Please see the flyer attached to this email.

East Haddon Church Afghan Appeal

The Church would like to thank everyone who donated so generously to the Salvation Army Afghan Appeal. We had an overwhelming response as you can see by the attached photo! There were donations of suitcases, high chairs, clothes, toiletries, games and a travel cot. Nicky and I took the donations to the Salvation Army in Northampton from where they will be distributed to the 150+ refugees currently being housed in two hotels in the Northamptonshire area. They are likely to be there for another four months and so everything given will be both needed and appreciated.

Thank you so much for your kindness.
