Parent Survey 2021

Dear Parents

We are continually working hard to improve the quality of the provision, the teaching and learning experiences and general personal development of and for children at Alderley Edge Community Primary School.

We recognise that last academic year was an unprecedented year but we would still value your feedback on the strengths and areas you felt could be improved.

To help us in this development we would welcome your views on your child's experience of school. ***Please try to remember the whole school year as well as the period of school closures.*** We ask that you spend a short amount of your time to complete an online survey. It should take no more than 5 minutes to complete.

The survey can be accessed by clicking on the link or copying and pasting the following link in to your web browser or using the QR reader below...

<https://forms.office.com/r/DK2C8RuYs0>

The survey will close on **Friday 12th November 2021.**

We request that you submit one survey for each of your children.

I would like to take this opportunity to thank you for completing this survey. Your views are important to us and help shape the future development of the school.

Yours sincerely

Lindsey Walsh
Head Teacher
