School Mission Statement

'To inspire, to learn, to love with God'

This half term we are focusing on being;

Eloquent and Truthful

Pupils are growing to be eloquent and truthful in what they say of themselves, the relations between people, and the world.

What does this mean?

Catholic schools help their pupils grow by developing an eloquent language which they can use to understand and articulate their emotions, beliefs, and questions, encouraged by the example of their teachers to be truthful in the way they represent themselves and speak about the world.

22nd October 2021

Dear Parents/Carers,

As we come to the end of this half term, I would like to thank you all for your vigilance as COVID cases increase in the local area and in schools. Your support in obtaining a PCR test when requested is minimising the risk of COVID spreading, alongside the measures we have in place in school and following the advice from the local outbreak team.

Thank you for attending our virtual parents evening. It was not what we had originally planned but it was lovely to be able to meet you virtually to discuss your child's progress.

It was wonderful to see so many children and their families at the First Holy Communion and Confirmation Commitment Masses. What joyful celebrations! We pray for all the children and their families as they begin their journey of preparation.

Year 5 enjoyed participating with our family of cluster schools in the joint "Walking with Mary" pilgrimage led by One life music at St Mary's Cannock. It was a wonderful day of reflection and prayer.

Thank you so much for contributing food for our Harvest collection. This initiative was led by our school council and the food collected will be given to our local foodbank to help those in need.

It has been a very busy half term and I know we are all ready for a rest. The children (and staff) have worked so hard and I am so proud of them all. It is such a privilege to be part of such a wonderful community.

In this Sunday's Gospel, we hear the story of the healing of the blind man. The blind man showed courage in calling Jesus even when the crowd told him to stop. Courage is a gift of the Holy Spirit - it makes us strong. Putting our faith in Jesus and his teachings gives us the courage to do the right thing. Let us try to remember this Sunday's Gospel and ask Jesus to help us whenever we need courage.

"Be brave. Let us learn to face moments of difficulty with courage, certain that the Lord never fails to give his support." Pope Francis

On behalf of the staff and Governors at St. Joseph's I would like to thank you for your continued support of our lovely school.

I hope you all have a wonderful half term - keep safe and I look forward to seeing you all back in school on Monday 1st November.

Best wishes,

Mrs Corbett
