

The Den Newsletter 22/10/2021

I cannot believe we have come to the end of our first half term!! 😊

The children have been amazing in The Den and have loved all the activities, especially the special events nights!

We have had a fabulous week outside (before the nights get any darker!).

We did relay races around the daily mile. The children really enjoyed this and worked together really well to organise their teams.

This week we also had an amazing talent show! The children thought of different materials, objects they could use (as we were outside on the stage) and performed different talents. Of course we had judges to judge and 1st, 2nd, 3rd places. The children were truly amazing at this.

Have the best half term and we will see you when we are back! 😊
