

St Joseph's School Council

Autumn 2021

Our fabulous School Council members for this academic year!

Autumn Term Newsletter

Welcome back to school everyone!

What a fantastic start to the new school year!

We are really pleased to announce that our School Council members for this academic year are the members that were voted for last year by their classmates, but were thwarted by lockdown. We know that you will all rise to this new challenge brilliantly!

Our first meeting

We have already held our very first meeting, which was actually more of a “get-together” as we were finally able to all meet up in person!

Everyone introduced themselves and we began to get to know each other by having a chat. We are all really looking forward to working together within our classes and bringing back our findings to share at the meetings!

Any other business?

Gracie came prepared to our first meeting! She wanted to bring an issue to our attention about litter and dog mess outside of school and on the nearby streets. We are going to think about how we can tackle this problem at our next meeting.

Our next meeting

Our next meeting as a School Council will be on Wednesday 17th November, so if anyone has anything to share, or that they would like to bring to the attention of the School Council, please speak to your class representative before then!
