

Dear Parents / Carers,

Between **Monday 8th and Thursday 11th November**, poppies and other poppy merchandise will be available to buy in school.

School Prefects will go to each class, every afternoon, between the dates above or until the poppies and merchandise run out.

There is a suggested donation of 30p for a poppy and the other merchandise is priced individually and ranges from 50p to £1.

If you would like your child to buy a poppy or merchandise, they will need to bring the money with them to school and give it to their class teacher.

Kind Regards,

Miss Holt

Head of School
