16th November 2021

Dear Parents

As part of the children's second year 6 topic 'Barrier Breakers' we have had a last minute opportunity to be able to book an architecture company into school to deliver a workshop to create the iconic Crystal Palace structure on Thursday 25th November. During the workshop, the children will work with a trainer on a number of skills as well as understanding why the Crystal Palace is a barrier breaking building itself.

The school considers that it is important that your child has the opportunity to gain first-hand experience through trips during school hours. Some of our trips are in the local area and are at no cost. Other trips are further afield and incur a cost. The school is able to fund part of our planned programme of trips/visits but requests a contribution from parents to enable all of our trips/visits to proceed. For these trips/visits we ask parents to make a contribution of up to 50% of the cost of the trip/visit and therefore the parental contribution for this trip/visit is £2.75. **Payment should be made on-line at <https://www.scopay.com/login.html> by Wednesday 24th November 2021**, we are extremely sorry for our delay in getting this letter out to you.

Thank you for your continued support with your child's learning. We look forward to a fantastic day of learning about structures and the skills required to become an architect.

Yours sincerely

Year 6 team
