Dear Parents

As part of our autumn topic 'Heroes and Heroines, we have been looking at various famous people we consider to be heroes and heroines. Next week, we will be looking at Greta Thunberg, climate change and the impact climate change is having on our oceans.

After researching Greta Thunberg and climate change, we have planned to create a piece of art using plastic materials. If you have any plastic materials at home you could send in with your child, we would really appreciate it. Please could you ensure these items are clean and dry.

These plastic materials could include items such as:

- Bottles
- Bottle lids
- Plastic bags
- Bubble wrap
- Plastic packaging

Thank you for your continued support with your child's learning. We look forward to creating an impactful piece of art depicting how climate change has impacted our ocean creatures.

Yours sincerely

Miss Neate  
Year 5, Year Leader.
