

Wimborne Weekly - Nov 3

Studybugs

In case you don't know already, Wimborne Primary school uses an efficient and secure system for reporting your child's absence, called Studybugs. Please get the free Studybugs app or register on the Studybugs website and use it to tell us if your child's ill and unable to attend school.

Here's the link:// <https://studybugs.com/about/parents>

48hr rule reminder

Just a reminder that we ask that children be kept off school for 48hrs following their last bout of sickness or diarrhoea.

Year 4's trip to Winchester Science Centre.

On Thursday 4th November all of year 4 were very excited to be going on a school trip! Although the coach journey was long, it was worth the wait. The day was all about experiencing a range of hands-on science experiments. Downstairs the children investigated lots to do with space and upstairs there were many exhibits based on sound, including being able to walk through an ear! A big hit with many children was the opportunity to work as a team on a building site, with a crane, rubber bricks, hi-vis jackets and hard hats to wear. The children did a practical workshop based on sound. Emily said, 'I just loved it all, there were many great activities to do.' Amelia said, 'I loved discovering that sound can vibrate through metal. I had to put a paper straw on a metal rod and then bit it. It made a noise!' 'The braille machine was brilliant. It printed my name out!' expressed Toby.

What are we doing well in line with our school vision?

- Governors are all super approachable- Thanks!
- I have found the teachers to be supportive and understanding.
- We appreciate the newsletter and enjoy reading it.

At our last parents' evening we asked you two questions. Here are some of the answers you gave. If you have an answer that you would like to share, that you didn't get a chance to on the night, please email it in to the school office.

What do we still need to work on to be in line with our vision?

- 1) I wonder if you collect the views of pupils in a range of ways so all can participate? **Yes, we do an annual pupil survey which school council look at to action and note improvements.**
- 2) More opportunities for parental involvement in learning and school visits. **Due to Covid we have had to stop a lot of these opportunities. We hope to resume these in the spring term.**

We will post any additional feedback we receive in future Wimborne Weekly newsletters.

We celebrate children's achievements in and out of school; please let us know of your child's achievements.

Big Question of the Week

Do we need to experience danger to learn how to be safe?

Attendance cup awarded to **Cassiopeia & Lepus** class for excellent attendance.

Diary Dates:

November

25th - Y6 Architecture workshop

26th - YR Teddy's party

30th Nov - 6th Dec - Scholastic Book Fayre

December

2nd - YR-Y6 Flu immunisations

7th - Christmas movie night - more details to follow

10th - Christmas jumper and lunch day - more details to follow

Day Closures

9th March, 6th June, 6th July

Letters sent home this week

(All letters can be found on our school website; go to Information, Parent Zone, letters)

Y6 Architecture workshop letter

Wanted Items

Please could you send in any waterproof coats, waterproof trousers and welly boots children have grown out of. We would be able to use these in school for children that may not have these items so they do not miss out on outdoor learning.
