Flooding in the school grounds

We are aware that during bad weather our school grounds are prone to flooding in certain areas this is due to historic problems with the drainage system. With this in mind if your child wishes to come to school in their wellington boots they will be able to change footwear in class.

Punctuality

Classroom doors open at 8:45, doors close at 8:55. If you are late and the classroom doors have been closed, please take your child to the office to minimise disruption to teaching and ensure your child receives their mark.

Responsible Parking

We have had numerous complaints from neighbour residents that parents are parking over resident's driveways and blocking exits.

Please park responsibly.

Absence procedure

Please call the school number and leave a voicemail if your child is not going to be in school that day. Please do not dojo teachers regarding absences, as they are not always seen first thing in the morning.

Reception intake 2022

If your child is due to start Reception class in September 2022 online applications are now open. The closing date for applying for a place is 15 January 2022. Below is the link to apply online.

Car park

The school car park is for staff and official visitors only. Parents are not allowed to park in the school grounds. This is for the health and safety of all our pupils. When parking outside the school grounds please do not block the residents' entrances.

School meal payments - School Grid

REMINDER - Meals must be paid for, in advance, on a Monday morning unless you have signed up to a direct debit. If you get into arrears with your child's account then you will be asked to bring a packed lunch in for your child and they will not be allowed a school dinner until the account is cleared and a direct debit has been set up. If you require help setting up an account please see a member of the office staff.
