Church lighting: we have waited since July for the new lights to arrive which was necessary when most of the lights failed after the major fault on the circuit board. We now have a new circuit board and the electricians are coming on Monday 10th January to replace all the lights - paid for, thank goodness, by the insurance company. This will involve moving the benches for the "cherry picker" but Mass will take place as usual around the disturbance. The work should be completed in one week.

Annual Lourdes Dinner Dance: Friday 18th February. For more information, please phone 07766148375.

The Piety Stall at the back of church which provides Mass cards, rosaries and articles of devotion. We still need someone to look after the stall. This would require spending a couple of hours each week arranging the cards etc and making an order every couple of months to keep it well stocked. Speak to Fr. Michael for more information.
