

Think then Click

We ask permission before using the Internet.

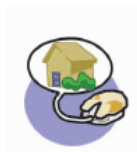

We only use websites our teacher has chosen.

We immediately close any webpage we don't like.

We only email people our teacher has approved.

We send emails that are polite and sensible.

We never give out our home address or phone number or any personal information.

We never arrange to meet anyone we know.

We never open emails sent by anyone we don't know.

We never use Internet chat rooms.

We tell the teacher if we see anything we are unhappy with.

I am responsible for my files and understand that the school will check my files and monitor the sites I visit.

I will not rearrange the hardware or install any software.
