Primary School Kitchen Supervisor

We are launching a catering recruitment campaign in preparation for September.

We need to recruit a number of staff to ensure that we provide continuous cover for your kitchens.

We have distributed some postcards direct to the school office and asked they distribute them to the pupils.

We have also asked if they could put something on the school website and/or school newsletters, using the text below.

Could you please help by asking your head teacher to display the enclosed poster in a prominent position for parents to view within your school.

Suggested text for website and newsletters:

"Kirklees Catering Service has vacancies for Flexible Customer Service Assistants to work in local school kitchens. If you are looking for a local, part-time job with family friendly hours and enjoy working with children please call Alison Bolton on 01484 221000 for an informal chat"

Thank you for your time and assistance

Kind Regards
Hayley Wilson
Kirklees Council
Communications Officer
