

Gill May

Having been a parent governor for many years, in 2012 I took on a community governor position and role as vice chair. More recently, acting as chair of governors.

Personal background:

Married with a 14 year old son who spent his early years at Bishopstone school, in addition we have two dogs and 4 chickens! We have lived in the village for nearly 20 years. I enjoy supporting the church and have been a member of a local choir for 43 years.

Professional:

Having trained as a nurse some 30 years ago, I have worked across both the health and social care sector. I am currently Director of Nursing for the Swindon Clinical Commissioning Group. This allows me to bring experience at an operational and strategic level from a different public sector field.
