

CLASS 5/6 AUTUMN 2013 NEWSLETTER

This autumn has been the best,
Better than the rest.
These are some of the things that we have done,
So, read the list and have fun.

Making our Lino' prints.

Resources for science experiments so we could understand light and forces.

Silhouette pictures of our profiles cut from black paper.

Japanese afternoon, inspired by a print.

Artist of the Victorian times such as William Morris.

Commas for clauses and cross stitch pictures.

Opening paragraphs must link to the conclusion.

Biographies of Victorian philanthropists.

Searching for famous Victorians on the internet.

Making bridges out of paper to replicate the triangulation of Victorian bridges.

Air resistance, Aristotle and Galileo.

Spelling, punctuation and grammar are very important.

Opening sentences grab the reader attention.

Non - Chronological reports.

We are looking forward to next term.
And all the things that we will learn.
