

## Woodfield and St George's Trailer Bike Scheme

The trailer bike scheme is available to all parents of children at Woodfield and St George's school. We have a number of tag along bikes and trailer pods available at the moment, including two tandem trailers.

The scheme costs just £5 to join, and term time hire is free (£20 deposit required). If anyone wishes to hire a piece of equipment over the summer holiday, the charge is £15.

If you are interested, or just want to find out more, please contact us on either of the numbers below:
