

(Parents of Children with Additional Needs Making a Difference in Kirklees)

PCAN is an independent, parent led forum for all parents and carers of children/young people (aged 0-25 years) with additional needs in Kirklees. PCAN welcomes any parent or carer, whether they are just becoming aware that their child may have additional needs or whether they have a child with a confirmed diagnosis.

PCAN provides information to help parents and their children, a chance to meet and network with other parents through events and social media, and works with local service providers to ensure that parents have their say in the design and delivery of local services for their children.

Our website and closed Facebook group is updated regularly with information and updates about events and activities relevant to parent carers and their children. Members of PCAN will receive a quarterly newsletter.

It is free to join - just follow the link on the website. We are a voluntary organisation run by Trustees who are all parents of children with additional needs.
