Dear Claire,

I received with very grateful thanks the sum of £250 (two hundred and fifty pounds) towards the work, ministry and support of Gloucester City Mission and I wanted to take this opportunity to say a heartfelt thank you for the donation. We really appreciate the work of the children in selling their produce to raise money for us at GCM.

This kind and generous gift enables us to continue to supply our friends on the street with hot food and drinks, sleeping bags, clothes, shoes, toiletries, Bibles, hampers and much, much more.

Without your incredible support we would be unable to continue the work that we do in the city of Gloucester, so please allow me to thank you once again for your generosity.

Wishing you every blessing,

Mike Curtis
