

Our Mission Statement  
The Tirlbrook Journey

# Positive Attitude

*A climate of expectation and success for all. We are a caring, nurturing school. We ensure varied opportunities for every child to grow, explore and develop their unique potential and beyond.*

# Creativity

*Working to develop enthusiastic learners. Through a topic based approach our pupils are encouraged, motivated and challenged to be actively involved in fulfilling their creative potential.*

# Environment

*Engaging with the resources of our locality. We work to ensure a safe, supportive and creative learning environment both indoors and outdoors.*

# Community

*Welcoming and friendly to all. Together we work with, in and around the local community striving to have our pupils, parents, families, staff, governors and community members actively involved*
