## Bury FC

As you will all be aware, Saturday afternoon at Gigg Lane sees one of the Football League's most attractive matches of the 2014-15 season. The clash between the League Two leaders Bury v Burton Albion promises to be memorable. I am sure that many of you will be attending especially given that the weather forecast is so good. It is to be hoped that Burton Albion are a good footballing side unlike the team that shall remain nameless from Tuesday night. I understand one of the officials is a woman- fantastic! Let us also hope that all the officials have revised their rules about handball and offside. The pitch is superb, like a bowling green. **HAVE A GREAT TIME!**

### Literacy and Numeracy Groups

All the children seem to be settling back into school nicely. Nursery 1 have been busy 'looking

Irwell 3 are working hard using 'I see' to comment and describe pictures. Andrew was taking a break during a game of 'eye-spy' - he

baked apple and blackberry crumble. We have also harvested all the fruit and vegetables from the school gardens before sorting

it into ripe and not ripe. The ripe tomatoes are going to be shared across the school and the green ones are going to be made into chutney.
