

OUR VISION

At Boxgrove we believe that Physical Education (PE) and Sport is an essential part of a child's educational development. We aim to develop a balanced programme, both during and out of school hours, offering a variety of activities to enhance fundamental skills in PE and Sport. Positive participation in PE will enable children to build, improve self-esteem, team work and positive attitudes to PE; this will ultimately contribute to the lifelong healthy movers that we wish to develop at Boxgrove.

We aim to equip our children with skills to enable them to:

- ☺ Develop confidence, skills and knowledge
- ☺ Be proud of their achievements
- ☺ Promote fair play and respect amongst one another
- ☺ To strive for excellence
- ☺ Improve their health and wellbeing.
- ☺ Develop into lifelong healthy movers

We welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve the quality and breadth of Physical Education and Sport provision in Primary Schools. We are committed to using this resource to develop high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our children.

SPORT PREMIUM GRANT

Funding for schools was calculated by the number of primary aged pupils (between the ages of 5 and 11) at the annual census in January 2013. All schools with 17 or more primary aged pupils received a lump sum of £8,000 plus a premium of £5 per pupil. Schools will be held to account for how they spend the sport funding.
