Dear Parents

Re: Medical Needs Register

In accordance with both new Government and new County Council policies, we are obliged to set up a "Medical Needs Register" to cover all children in school. In order for us to do this, and for the information to be current, may we please ask you to fill in the slip below and return it to the school office.

It is particularly important to return this form to school if your child:

- 1) has a **serious condition** that may or may not require regular medication through the day: e.g. diabetes, epilepsy, migraine etc.
- 2) takes **regular medication** at home that might result in special consideration at school: e.g. medicine for constipation, hayfever medication etc
- 3) has **any known** (or even suspected) **allergies**
- 4) **needs an asthma inhaler** to be kept in school for frequent or infrequent use

Child's Name:		Class:	
Medical Condition	e.g. asthma/allergy/etc		Treatment at home? Yes/No
Please list medication to be held in school:		May be administered by school staff on your child's request.	Yes/No
