

School fundraising ideas

About us

Father James Nugent lived in Liverpool a long time ago, in fact in Victorian times. He saw a lot of people without any shoes and who were hungry and dirty. They did not have a home to sleep in and they huddled together on the streets in the winter to try and keep warm.

Father Nugent saw all this happening and wanted to make these people lives better so he raised lots of money to help them. This is what Nugent Care does today. We still carry on the work of Father James Nugent helping lots of people.

Where your money goes

All money raised from your ideas and fundraising go to people who are Deaf, hard of hearing, people with disabilities and their carers and volunteers. By doing something like a sponsored walk you are helping these people every day.

To find out more about these groups please visit our **website** at www.nugentcare.org

At Nugent Care we can do a lot with the money you raise. These things make a real difference to people's lives.

£45

to purchase specialist audio equipment for hard of hearing people.

£45

to prepare a new volunteer to support a person with a learning disability.

£50

for a 2 hour lip reading session for a group of hard of hearing people.

How can your school help?

There are lots of ideas on how to raise much needed funds for Nugent Care in our **A2Z** of fundraising which is available to download on our website. You can choose your own fundraising event. Whatever you do don't forget to tell us about it so that we can add it to our website.

There are lots of ways to fundraise at school.

Here are just a few:

- Non-uniform day - everybody pays a fee to come to school in their own clothes. Why not get the teachers and staff involved by getting them to wear fancy dress!
- School disco - charge an entry fee.
- Tuck shop or healthy eating shop.
- Talent show
- Sponsored walks.
