

## INFORMATION FOR PARENTS

To help develop skills and inspire the children to take control of their own learning, we have launched a new project initiative.

This is entirely voluntary and the children have ownership of the subject and content of their project.

All we ask is that the topic is appropriate for school i.e. celebrities, sport, animals, hobbies etc.

We can provide paper as required and the children can borrow books from our library to be kept in school. They can work on projects at home or if they have finished work during normal lesson time and they wish to work on their project, they will be given time to do this.

At the end of this term, class teachers will choose a winning topic and prizes will be awarded for each class. If you have any queries, please do not hesitate to contact class teachers, who will be glad to answer any questions you may have.
