Inspiration

A photograph of a human brain, viewed from a slightly elevated, lateral perspective. The brain is a rich, warm brown color and exhibits a highly convoluted, wrinkled surface, characteristic of the cerebral cortex. The lighting is soft, highlighting the texture of the folds and grooves. The background is a solid, dark black, which makes the brain stand out prominently. Overlaid across the center of the brain is the word "Knowledge" in a large, bold, white, sans-serif font. The text is centered horizontally and vertically, with the letters appearing sharp and clear against the textured background of the brain.

Knowledge

A close-up photograph of a human ear, showing the outer ear (pinna) and the ear canal. The ear is set against a background of dark hair. The word "phoneme" is written in a large, bold, white, sans-serif font across the middle of the ear.

Grapheme Phoneme Correspondence

A 3D rendered letter 'Q' in a light beige color, set against a solid red background. The letter is positioned in the upper half of the frame. Overlaid on the letter is the word 'digraph' in a bold, white, sans-serif font. The letter 'Q' has a thick, blocky appearance with a slight shadow underneath, giving it a three-dimensional look. The word 'digraph' is centered horizontally across the middle of the letter's bowl.

cake

A circular object, possibly a coin or a piece of wood, with a light brown, textured surface. It features a prominent red border and a large, red, stylized symbol in the center. The symbol consists of a vertical line with a curved top and a curved bottom, resembling a stylized '3' or a similar character. The word "trigraph" is overlaid in the center in a bold, white, sans-serif font.

trigraph

A close-up photograph of several slices of fresh orange. The slices are arranged in a slightly overlapping manner, showing the vibrant orange color of the pulp and the lighter, fibrous texture of the pith. The lighting is bright, highlighting the natural texture and color of the fruit.
