

Martenscroft Nursery School and Children's Centre

Becoming 3 years old in Blossom Room

The school term after your child becomes 3 years old they are eligible for either 15 or 25 hours per week education funding during term time. Whilst your child is in Blossom please note the following;

- You do not need to apply for this funding. The school receives the funding on your behalf.
- Your contract arrangement for days and times will not be changed unless you request a change and if you are on an all year round contract you can continue to take your child out for holidays when you choose.
- Your charges will be reduced according to the amount of funded hours you are entitled to.
- Around April time, before your child is due to start Willow Nursery School Class in the September, you will be given the option to decide if you would like your child to move into that Class in September or stay in Childcare in Blossom room. If you choose for your child to move into our Willow Nursery Class provision you agree to adhere to our attendance policy. This includes a commitment to ensure they are in school every day in term time between 9am and 3.30pm. No holidays or visits away to see relatives during term time will be authorised. There are induction meetings in June to give you more information about the transition in Willow Nursery Class.
- If you choose to move your child into Willow Nursery Class there is before and after school provision available as well as holiday care. Please see the childcare charges leaflet for details of times and charges.
- If you would like any further information please ask to see Jane Rogers or Liz Hardy.
