At the end of each term your child will have a spelling challenge. If you would like to support your child at home, here are the words and sounds that we will be focussing on. These are practice words and they will not all appear in the challenge. Your child's test will be sent home, identifying the spellings they got right and wrong. Happy spelling!!

Tips:

- ★ When adding 'ing' or 'ed' to a word that ends in a short vowel then a consonant, you must double the consonant before adding the suffix.
- ★ Circle the part of the word you are finding tricky to spell – can you think of a way to remember this?
- ★ Draw pictures inside your words to help you remember the silent letters that make spelling tricky.
