

# SCHOOL AIMS

Every day we aim to:

Provide an environment that is friendly, welcoming, caring and safe and ensures that all our children have rich and stimulating experiences;

Develop self-esteem and confidence of everyone and an enthusiastic and enquiring attitude towards learning;

Show respect and consideration for each other and the environment, within a well-organised school;

Develop a partnership with parents which encourages active involvement and establish good relationships with the local community;

Develop creative and enquiring minds and for children to become increasingly independent in their own learning;

Develop respect for spiritual and moral values and an understanding of other religions, races and ways of life.
