Friday 28<sup>th</sup> November 2014

Dear Parent/Carer

I am attaching or sending via paper copy the final version of our recent Ofsted Inspection.

Thank you to all parents and to all staff and governors for their continuing hard work and dedication to the development of our children. Congratulations to our children too on their contributions on the two day visit.

We are very proud of our school and of the progress we have made since the last inspection. We are still graded 'good', although this cannot be compared with our last inspection as the Ofsted inspection framework has changed four times since then. But we have definitely made great strides and are proud of the progress we have made. There are some great comments that have been made about the school and mention of practice where it is outstanding.

I hope that you will take the time to read the report and reflect on the whole team at Forest Glade that have worked hard together to improve the experience that our children receive on a daily basis.

We acknowledge our potential to improve further and will be continuing with the clear direction given to achieve outstanding. Thank you for your continuing support. If you wish to comment please do not hesitate to follow the office email address available at the bottom of our newsletter.

Yours Sincerely

JM Gibby  
Head Teacher
