

Committee Meeting

**Monday 13th October
7.30pm – Après Boston Spa**

Please join Friends of the School for our next meeting to help in the planning of this terms events & put ideas together for the coming year. The meeting will only last an hour or so & is a nice excuse for a glass of wine & a chat as well!!

All welcome & by attending there is absolutely NO commitment to join the committee, or do anything on a regular basis – it is just great to have new faces & more ideas. Of course, if you would like to join – then you are more than welcome & we would be very happy to have another member of our small but effective team!
