

As this half term draws to a close, & after a little break from planning events after a very busy & successful Christmas, Friends of the School are delighted to be able to contribute some of our hard earned funds to some much needed items for the school.

The first item on the list is a new projector & screen for the hall which is now in full use & forms part of daily life in school.

We will also be renewing the Mathematics license for another year, we feel that this is such an invaluable tool to aid our children's learning & perfectly illustrates what the Friends of the School is all about.

Mrs Ulyett has asked for funding for new reading books for all Key Stage 2 classes, but Friends of the School have asked to extend this to Reception & Key Stage 1 classes in addition!

We will also be contributing to the forthcoming Class 4 refurbishment; Last year, Friends of the School contributed to the refurbishment of the Class 5 & it continues to make a daily difference to the quality of the learning environment for that class (& in the future). We are delighted to be able to enhance yet another learning environment within the school, which will have years of benefit for all our children.

It goes without saying that none of the above would have been possible without your generous & committed support of the school & a huge THANK YOU goes to each & every parent & carer.

We are always looking for ideas for how we spend the money we raise, if anyone has any suggestions they are always welcome – please drop a note into the office & it will be passed on to us.

Forthcoming events....

Kids Movie Night – Date to be confirmed (Mid/Late March)

Race Night @ Walton Village Hall (Adults only event)

School Disco

Summer Fun Day

We struggled a little for volunteers on events last term & we would really appreciate anyone that can help out – if you would like to be involved in any (or all) of the above events & also if anyone would like to organise anything in addition to the above planned events, please contact Hayley on 07712 175178/ hayley.cullen@live.co.uk.

The next meeting is yet to be confirmed (due to the imminent arrival of our 3rd baby) but as soon as a date is set we will notify you through the usual channels.

Thanks once again & we look forward to another successful year of events & fund raising!!
