

## **Midgley School Ethos and Values**

### ***Learning, Caring and Growing Together***

Midgley School is committed to providing a high quality, creative and challenging education within a secure, happy environment, where every child experiences a sense of enjoyment and achieves their full potential, so giving them the foundations for future learning and success in life.

We acknowledge the importance of developing a caring and stimulating environment, where children's high self-esteem enables them to take risks in learning and to learn confidently through their mistakes. We encourage children to ask questions and become skilled in solving challenges and problems.

We aspire for all our children to become confident, secure, caring individuals who achieve personal success and develop a love of learning.

We strive for excellence, empowering children to be happy and responsive. Children are challenged within an enriched, creative and linked curriculum.

We are proud to be an inclusive school that aims to develop independence, responsibility, kindness and good manners.

We respect each individual as a potential achiever and firmly believe that everyone can succeed.
