

14th January 2013

Information re: Snow Closure

In the event that there is snow and you think the school may be closed please do not contact the school directly.

If the decision to close the school has been made this information will be found on the following website: <http://schoolclosures.suffolk.gov.uk>

Please also listen to local radio stations and we will put an updated line on the Home page of our website www.ravenswoodcpschool.co.uk .

We will do all that we can to ensure that the school remains open.

Mrs Mills

Headteacher

The above arrangements were reviewed on 28th November 2013 and remain the same for any snowfall over the next year.
