Special Education Needs & Disability Policy changes

As you may be aware there have been changes made by the Government to the Special Education Needs & Disability code of practice. As a result of this I would like to offer you the chance to read and provide feedback on our new policy.

This can be found on the website and you are invited to come in to school at 2:30pm on the 26th November to offer your views and opinions. If you would like any further information please do not hesitate to contact me.

Goodbye and Farewell

Mr Selves, our fantastic Site Manager of 16 years, has decided it is now time to leave us. He will be spending quality time with his family and exploring new adventures.

He has been an amazing member of the team and will be very, very much missed.

I'm sure you would like to join us in wishing Mr Selves all the very best with his new journey.

Midday Supervisor

We are currently seeking casual Midday supervisors. If you are interested or would like more information please contact Mrs Harding in the school office.

Drums alive - next week

We are very fortunate to be working with Jane Brennan to launch a new initiative called Drums Alive. We will be the first school in England to be running this activity with our children. It is a mixture of dance and fitness that encourages rhythm, hand eye coordination and application to other curricular areas. This will take place Thursday 20th and Friday 21st November

Reminder

There is a working party on Saturday 15th November to re-vamp the Environmental garden starting at 9:00am. All welcome.
