Parents Forum

Thank you to the 3 parents who came to the Parents Forum. It was lovely to see you and thank you for sharing your ideas and concerns. These are available to see on our website.

Christmas Performances

We are looking forward to seeing you all at your child's Christmas performance. To ensure all parents/carers enjoy each performance we are asking this year for you to be considerate of others when using cameras. Please ensure you are not blocking the view of others. If you would like to take photos throughout please take a place at the back of the hall to ensure everyone can enjoy the productions.

Please ensure that any pictures taken are not shared on social media sites.

If you would like to bring younger siblings they are most welcome. If they do become unsettled we would ask they are taken into the reception area to ensure the children performing can still be heard.

Thank you for your cooperation and support.

Parent Workshops

These have been a great success again so far this year.

There has been a lot of positive feedback and great interaction from the parents who attended.

Thank you to Mrs Andrew and Mrs Holder for running the great workshops so far

We look forward to seeing you at the next ones.

Wed 3rd Dec 9am—12pm & 6pm—8pm

Homework - A gentle reminder

Homework is not compulsory at this stage of your child's education. Please let staff know if you find that too much is being given. Please enjoy your children when they are at home, that is the most important thing.

SEND Forum

Thank you to the parents who attended the SEND forum with Miss Ford. Your views are very valuable and gratefully received. The SEND Policy is on our website for everyone to view.
