The
Brick
Homeless Project

We continue our support for 'The Brick', which is
a homeless shelter and food bank for local people
who are in need.

To remind you the Brick in the town centre
opened in July 2008, to provide homeless and
disadvantaged people with a dedicated place
where they could recover.

The service does not provide accommodation but
has a day centre which welcomes anyone who
needs help with homelessness issues. This
includes showers and breakfast for street
homeless, advice times and support, training
courses and food parcel pick up.

**The purple crate in front of the altar is
for donations of food, please give what
you can.**
