

You can achieve if you just believe...

Partnerships with Families

At John Bramston Primary we are eager to develop your child's learning through partnership. We consider the partners to be the school, the Governors, the staff, the families and, of course, the children themselves. To this end, Families are welcomed into the school in many ways and feedback is always welcome. We know that this feedback will help us to make further improvements and to know what we do well.

We endeavour to work closely with families by;

- Holding an Autumn Term class talk
- Sending termly curriculum overviews home, detailing the learning objectives for the term ahead.

Holding Parents Evenings in the Autumn and Spring

- Encouraging families to work in classrooms and assist with a variety of activities

- Being available in the playground before school and available for consultation at the end of the school day. Teachers are available in class daily at 8.55 a.m. and after school from 3.40 p.m. for informal chats. To arrange a more formal appointment, please contact the school office. Letters and e-mails can also be an effective communication tool. Staff email addresses can be got from the school office.

- Sending fortnightly newsletters home. The newsletter is one of our most direct forms of communication and features school life.

Text messages are sent to families and the web page is regularly updated -
